

Bexhill
Academy

Creating the best
opportunities for all

Welcome to
Bexhill Academy
Where Every Child Thrives!

We are delighted to present to you our school leaflet, showcasing the unique and exceptional opportunities that await your child at Bexhill Academy. At our school we create the best opportunities for all, with our unwavering commitment to fostering aspirations, emphasis on collective responsibility, and firm but fair approach, we are dedicated to providing an outstanding educational experience for every student.

OPEN EVENING

September 26th, 2024

5.30pm - 8.30pm

See you there!

Smooth Transition, Bright Future:

At Bexhill Academy, we understand the importance of a seamless transition from primary to secondary school. That's why we have developed a tailored transition programme to ensure that your child feels supported and confident as they embark on this exciting new chapter of their educational journey. Our programme includes a range of engaging events and activities throughout the year, such as:

Cinema Nights: An opportunity for new students to come together, enjoy a movie, and form new friendships in a relaxed and friendly environment.

The Importance of Reading: At Bexhill Academy, we understand the importance of reading. Our ability to read and our comprehension ultimately determines the learning we are able to access across the entire curriculum. Everyone in our school understands the value of reading which is why Mr Tom Attwood our chair of governors buys every year 7 child a book for summer reading. The book is picked by our Reading and Learning Team and is the appropriate reading age for year 7s. To assist students who may not feel confident with reading, we created a chapter-by-chapter audiobook by the staff of this year's book to assist students who want to read, but may not be able to access reading a book of this level.

Making Thank You Cards for Primary

Teachers: A chance for students to show their appreciation to their primary school teachers and reflect on the positive experiences they had.

THANK YOU FOR HELPING ME GROW!

Leadership and Workshops:

Art Workshops: Creative sessions where students can express themselves through various art forms, fostering their imagination and individuality.

Sports Workshops: Active sessions that promote teamwork, sportsmanship, and a healthy lifestyle.

Drama Workshops: These sessions focus on understanding yours and others' emotions.

As well as running several different Workshops throughout the year we also take our Student Scholars and Student Leadership Team to some of our feeder primary schools to run sessions in Sport, Drama, and other subjects. This helps our upcoming Year 6 students learn some familiar faces and also is a great opportunity for our older students to demonstrate their leadership skills.

Three Days in School in July:

An immersive experience where students can familiarise themselves with the school environment, meet their future classmates, and get a taste of secondary school life.

Transition Evening for Parents and Carers:

A dedicated event where you can meet our experienced tutors, gain valuable resources, and have any questions or concerns addressed.

Summer School:

The summer school is a fantastic way for your child to meet new friends, get to know teachers, and become familiar with our state-of-the-art building.

A student who attended the August 2024 summer school stated, *“Before I came I was terrified, I was so nervous, but I have made new friends and my emotions have changed to happy and confident!”*

And another student said, *“This has been the best week. I have made new friends and I can’t wait to start in September to see them again.”*

A parent of a child who attended summer school in August 2024 said, *“I am so grateful for everything the teachers at Bexhill Academy have done for the transition from primary to secondary school. The summer school was a great addition to this process as it alleviated any anxieties my child had about starting in September. They now feel confident that they know their way around, she has met new friends and she knows some of the teachers. Thank you to all the Bexhill Academy staff.”*

At Bexhill Academy, we believe that a successful transition sets the foundation for a successful academic journey. By providing a supportive and nurturing environment, we ensure that your child feels heard, valued, and inspired to achieve their full potential.

A Commitment to Excellence:

Our dedicated staff body is passionate about delivering an exceptional education that prepares students for the challenges and opportunities of the future. With a broad and balanced curriculum, we provide a range of subjects and extracurricular activities to cater to diverse interests and talents. Our experienced teachers employ innovative teaching methods, fostering critical thinking, creativity, and a love for lifelong learning.

Firm but Fair:

At Bexhill Academy, we firmly believe in instilling discipline, responsibility, and respect in our students. Through our firm but fair approach, we create a safe and inclusive learning environment where every student feels supported and empowered to achieve their best. We promote positive behaviour, encourage personal growth, and celebrate achievements, nurturing the development of well-rounded individuals who will thrive in all aspects of life.

Aspirations for the Future:

We are dedicated to nurturing the aspirations of our students and equipping them with the skills and knowledge needed to pursue their dreams. Through guidance, mentorship, and a range of enrichment opportunities, we encourage students to aim high, explore their passions, and unlock their full potential.

Join the Bexhill Academy Family:

We invite you to become part of the Bexhill Academy family, where your child’s education and well-being are our utmost priorities. Together, we will create a supportive, inspiring, and inclusive community that celebrates diversity and fosters excellence.
